S.A.M. 1200

This lift was designed for motorcycles, ATVs, lawn mowers, and golf carts.

The S.A.M. 1200 Air Lift is ready to do even more! Revolutionized with an air bellows, the S.A.M. 1200 Air Lift requires zero maintenance so your focus remains in the shop. We boosted the capacity and increased the maximum working height so that even your tallest mechanics can conquer any job. To simplify tire changes and maintenance, we kept the rear drop-out panel from the S.A.M. 1000 Air Lift. Color options include gray (standard), black, orange, red, and blue.
