CORE PURPOSE

Simplifying the lives of adventurous and hardworking people by providing high-quality, innovative, and reliable products.

WHO WE ARE

Built on nearly 50 years of manufacturing experience, Handy is proud to manufacture high quality motorcycle/ATV/UTV lifts, shop equipment, and accessories. Handy's entire product line is manufactured in the United States and shipped to customers around the world. Our team is passionate, energetic, and confident in all we do, and we are dedicated to manufacturing superior products.

This lift was designed for UTVs.

In the shop or in the pits, the PITBUL is the only way to go when working on your side by side. Made with an aluminum frame, the PITBUL is designed for maximum durability and carries a 3,000 lbs. weight capacity. The maximum height without our adjustable riser blocks is 27". But if you want to customize your height, we have various adjustable riser blocks to precisely fit the needed height of your side by side. Battery not included.
