# Standard 1200

**This lift was designed for motorcycles, ATVs, lawn mowers, and golf carts.**

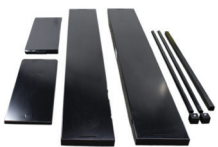

The Standard 1200 Air Lift is ready to simplify your service department. The Standard 1200 Air Lift has been revolutionized with a maintenance-free air bellows, so your focus remains in the shop. We boosted the capacity on our best-selling lift and raised the maximum height so the Standard 1200 is perfect for even the tallest mechanics. Built tough with a durable powder coat finish, this lift features a gray texture frame with a gloss black ramp and lift top. Other color options include black, orange, red, and blue.

**PROUDLY MADE IN USA**
